BRIEF ABSTRACT OF LETTER.

Forwards for favourable orders of Govt. resolution of the committee re the employment of a paid canvassing agency for popularising the Public Branch of the State Life Insurance scheme.

NOTES AND ORDERS.

1) Kind attention is invited to the opinion of the Council recorded in page 24 of G.7 64-15 Hds. 2, 4 & 5 18 July 1916 which is as follows

2) It is not desirable to entertain any canvassers

3) Further the notice which is proposed to be

issued under the authority of the resolution of the Committee differs materially from the sense of the resolution itself

2 For instance the remuneration to canvassers as per resolution is to be 10% of the first annual premium paid – but the notice has 12½% instead – under what authority it is not stated.

This is apparently a slip – Please get it corrected by reference to the remarks of this 18 6-1-17. MR

It is an error in typing and should be corrected as now. 8/1/17

3 Again the non official gentlemen who may be canvassers under the Resolution ~~are~~ are all in the nature of quasi public servants having touch with Govt in some way or other – But besides these the notice proposes to ask in the committee to register as a helper any & every Gentleman'.

4 For a certainty there will be no lack of canvassers under the present Scheme – but whether it may not result in over zealous canvassing at times resulting in undue pressure as a sort of carrying out a Govt mandate – is a point for Consideration.

5 The necessity and the desirability of having agents to popularise insurance among the general public were pointed out by Govt. — Vide page 26 of File below and there is nothing much to add to what has already been said —

6 The question has once again been pressed by the Insurance Secy —

It is respectfully submitted that an arrangement somewhat as proposed by the Director will go a great way in bringing home the benefits of public insurance to our village folk —

7 There is one little point in the matter requiring consideration — No remuneration should be allowed to Govt. servants — There is no objection to them rendering help in popularising the movement, but on the condition that they shall not expect or receive any remuneration — Govt. officials & officers are rendering help in the management of Co-operative Societies, often at very great sacrifice without getting any money reward in many cases —
